VOL. 11 NO. 19 WEDNESDAY, MAY 13, 1970

PUBLISHED AT ST. ALBERT, ALBERTA 15¢ Per Copy Newsstand

Shown at the St. Albert Constituency Liberal meeting and nominating convention, Thursday, are (from left to right) Rod Woodcock, new association president; Robert Russell, candidate in the next provincial election and Mel Hurtig, policy chairman of the federal Liberal party and guest speaker at the meeting.

"Act now to save Canada"

"Unless an awful lot of Canadians are going to work very, very hard the future of this country is genuinely in some doubt."

This opinion was voiced Thursday by Mel Hurtig, Edmonton publisher and policy chairman of the federal Liberal party. Mr. Hurtig was addressing the general meeting and nominating convention of the St. Albert Liberal Association.

Defining the new Canadian nationalism, Mr. Hurtig cautioned against confusing the term "nationalism" with chauvinism, jingoism or anti-Americanism.

"I mean by nationalism, the ability of people to control their own destiny and future as much as possible," he said.

Canadian nationalists are "people who have a deep and genuine love for this country and people who have a belief in the future of this country."

No one questions the initial necessity for foreign ownership of businesses in Canada, Mr. Hurtig stated, "but it has steadily increased and now we are very badly exploited." He accused Canada of a laxity "greater than any other country" in this regard.

"The time has come when it's far too late to rely on the Canadian business community to guide the business destiny of this country," said Mr. Hurtig, adding that foreign ownership now accounts for 50 to 60 per cent of all businesses in Canada. This results in the vital decision-making processes occurring outside this country and loss of exports due to the inability of Canadian branch plants to compete with foreign-based head offices, he said.

"Less industrial research is conducted in Canada in 1970 than in 1960," he stated.

"We have lost control of our economy to a certain

large extent and part and parcel of this is loss of political control as well."

The country "is entirely at the mercy and whim of the American business community."

Mr. Hurtig stated that no one was suggesting that Canada shouldn't import foreign capital but that the rules must be changed. He suggested that no adequate study had yet been completed on the net effects of foreign investment in Canada, but he added that many economists consider "absolute nonsense," claims that Canadians' standard of living would drop with the imposition of tighter controls on foreign investment.

He described as "incredibly stupid," Canada's oil policy which allows oil to be brought in from Venezuela and sold for "one cent less a gallon than we can sell Alberta oil."

"It's time we started us-

ing our own oil in markets east of the Ottawa valley," he said. He also advocated an export tax on gas and oil which would realize tremendous revenues and ultimately reduce taxes.

Mr. Hurtig described Canada as being in a "fantastic bargaining position" with the United States which he claimed, has to have Canadian natural gas. Canada should not enter into any long-term agreements, he said, adding that Canadians have not yet solved the problem of ethical and moral responsibility to their children.

Mr. Hurtig concluded by calling for Canadians to take pride in their country, to stop worrying about western alienation and start worrying about the country as a whole.

"Otherwise," he warned, "maybe our kids won't have a country to worry about."

Ice plant to cost \$40,000

St. Albert Kinsmen who last week announced that they had undertaken to provide artificial ice for the new St. Albert arena, have been hard at work on plans for reaching their objective.

Dave Stewart, chairman of the artificial ice committee reports that it will cost approximately \$40,000 to install the required equipment. Skate-a-thon proceeds of \$6,500 have already been allotted to the fund.

Kinsmen hope to go a long way toward reaching their objective with proceeds from their annual Rodeo, slated for June 19, 20 and 21.

Billed as three big fun-filled days, featuring a mon-

ster midway and giant parade, the rodeo will be completely organized and handled by local Kinsmen.

"Rodeo 109" will help celebrate the 109th birthday of St. Albert, the oldest town in Alberta, and Kinsmen hope to receive the wholehearted support of all citizens. It's an excellent way to help the Kinsmen reach their goal and to have a wonderful time into the bargain.

Kinsmen invite you to enjoy the rodeo parade June 20 and to take in all the fun and excitement of the rodeo, June 19, 20 and 21. You'll be helping to provide the ice plant for the new St. Albert Arena!

Mayor calls special meeting re university

Mayor Ray Gibbon announced at Monday's council meeting that a special meeting of council will be held to discuss the new university along with overall development plans for the town.

He expressed the hope the meeting would result in a committee being formed to discuss with the government and the Municipal District of Sturgeon, the possibilities of combined servicing for the university.

Mayor Gibbon had promised to call the meeting as soon as the exact location of the new university was known. With Education Minister Robert Clark's announcement of last Wednesday, that particular problem was solved, but another quickly emerged -- finding a night when all councillors were free to attend.

Dates were tossed back and forth as councillors consulted their memories and little black books in an attempt to find a night when everyone was available.

Before a final meeting time of Friday, May 22 at 5 p.m. was set, considerable discussion had taken place regarding council meetings in general and the difficulties being experienced in handling all matters requiring councillors' attention at regular meetings.

Councillor R. G. Wheatley suggested that perhaps the time had come when council needed more meetings on a semi-regular basis to supplement regular council meetings held every other Monday.

Council Meeting

After considerable debate, council voted 5-2 Monday in favor of retaining the firm of Stanley and Associates, consulting engineers, to conduct a sewerage treatment study for the town. Mayor Ray Gibbon and Councillor Frank Lukay were opposed.

An earlier motion by Councillor R. G. Wheatley that council seek assurance of financial assistance from the provincial government before employing consultants of any kind to undertake major studies for the town, was defeated by a vote of 5-2. "I always like to know how we're going to pay for these things," said Councillor Wheatley.

Councillor R. A. Russell proposed a late-afternoon starting hour for meetings in order to allow for completion of lengthy agendas.

Councillor John de Bruijn had earlier stated: "It's time we got on the ball and got something done." He charged that council had got into the habit of procrastination, tabling too many items to later meetings, resulting in overcrowded agendas.

In order to complete Monday night's agenda which was only half finished by 11 o'clock, council voted to adjourn until 5:30 p.m., Thursday, May 14.

In order to make the most productive use of the May 22 meeting to deal with the university, Councillor

Wheatley requested that the views of councillors be circulated before hand in order to give an adequate opportunity for study.

Councillor Frank Lukay suggested to council that they make suggestions as to a name for the university. It should be a name which would reflect the historical background of the area, he said.

Council voted unanimously in favor of sending a letter to the Universities Commission requesting that choice of a name for the university be left to the discretion of the board of governors and that a choice should not be made until the board has received submissions from any interested parties.

Mayor proclaims

"Clean-up Week"

Mayor Ray Gibbon has proclaimed the week of May 18 to 23, "Clean-Up Week" in St. Albert. The St. Albert and District Chamber of Commerce is promoting the week as a time for individuals and businesses to get out and "spruce up" their property. All St. Albert citizens are urged to give their full support to "Clean-up Week." Your co-operation will make St. Albert a town to be proud of.

Attempt to stall condominiums

Councillor R. G. Wheatley made an unsuccessful bid Monday to have an area of West Grandin Park, containing 81 acres, rezoned residential comprehensive.

Some months ago council had agreed to rezoning of the property to allow for a condominium development to be undertaken by Delcon Management.

Councillor Wheatley's contention was that since Delcon had sold their property (approximately 40 acres) to two companies, Embassy Developments and Bramalea, council was no longer bound to allow condominium units to be built on the land.

Referring to the Alcan condominium development in the east end of town, Councillor Wheatley stated that "we could end up with 448 units on the west side of town and 158 on the east." He felt that there was merit in delaying development until council saw the results of the east-end condominium

development. He stated that he had heard much disapproval of condominiums expressed by St. Albert citizens.

Councillor J. J. Bakker pointed out that in its earlier decision to rezone the West Grandin Park property council had not given approval to any particular development, merely to the rezoning.

Town Planner J. X. Woodroffe interjected that council could rezone the property to single family housing if it wished but warned against legal complications which might arise in certain areas such as land values. He added that council has the right to dictate standards, appearance, finish and design of any future condominium development which might be proposed.

Councillor Wheatley was supported by Councillor John de Bruijn in his motion to reverse council's earlier decision. The motion was defeated 5-2.

Northeast university site announced

Months of conjecture as to the location of Alberta's fourth university came to an end a week ago today, when close to 100 St. Albert and district citizens crowded into the council chambers at town hall to hear Education Minister Robert Clark announce that a site three miles northeast of St. Albert had been chosen.

Part of the approximately 800 acres of property to be set aside for the university campus has in the past been occupied by the Edmonton Indian Residential School, operated by the federal government. The existing school building on the property will likely be used as an initial base of operations for the interim body which is to shortly get the project underway, Mr. Clark said.

The choice of location was based on an extensive study and recommendations made by the Alberta Universities Commission. These recommendations were made April 27 and approved by provin-

cial cabinet on Tuesday, May 5.

Of the five possible locations studied in the St. Albert area, the site was chosen as the most desirable from the standpoint of availability of land, land costs, transportation access, the cost of sewers and water supply as well as aesthetic qualities.

It is expected that the university will begin accepting students in the autumn of 1973 and will have an enrollment of 10,000 by 1979.

"It is going to be a 'get-with-it' project," said Mr. Clark, adding that work would begin the following day on assembling an initial group of individuals to get the project underway.

"We expect a very early date to finalize the charter for the university and also to finalize the initial group of governors who will be charged with the responsibility for development of the university in its very early stages," He added that an individual from St. Albert

will be a part of this initial group.

J. R. B. Jones of the Universities Commission who accompanied Mr. Clark, said that a "tremendous amount of research had been done in St. Albert" to determine which of the several "excellent" sites available would be the most feasible.

He stated that technical data was carefully gone over before the decision to locate the university northeast of the town was made, adding that people will probably argue for generations over whether or not the best site had been chosen.

Asked by Mayor Ray Gibbon what the Universities Commission planned with regard to servicing the site, Mr. Jones replied, that it had been recommended that the commission work very closely with the town of St. Albert and the Municipal District of Sturgeon.

In considering alternative sites for the university, Mr. Jones said that feasibility

studies had shown that St. Albert sewage lagoon was "a little too close to the inhabited area for any major expansion. If we had put the university here, we would have just compounded your problem."

The announcement meeting was jointly hosted by St. Albert Chamber of Commerce and the Town of St. Albert. Both these bodies had gone on record as supporting a university location in the northwest area of the town, adjacent to Big Lake. Chamber of Commerce President Ernie Jamison welcomed guests and introduced Mayor Gibbon.

Mayor Gibbon paid tribute to ex-mayor R. Fowler and past town councils and in particular to Councillor John Bakker and Keith Everitt MLA for their work in drafting briefs and making representations to various ministers of the government, both in 1966 when the province's third university went to Lethbridge and again in 1968. He thanked the government, through Mr. Clark, for locating the university in the St. Albert area.

Mr. Everitt pointed out that perhaps the location of the university site should be described as "three miles east of St. Albert," rather than "northeast" as the property is south of the Sturgeon River.

Harold Rattal, chamber vice-president, introduced municipal and school officials from St. Albert and the surrounding area who were on hand for the long-awaited announcement. Mayor Gibbon apologized for the fact that due to the short time available to arrange the meeting, four of his councillors were unable to be present.

The majority of those present at the meeting expressed satisfaction at the choice of location. The main feeling seemed to be relief that a decision had finally been reached and anticipation that the project would soon be underway.

Mr. Clark stated that the approximate cost of establishing the university will be known by mid-summer or early fall and that construction will probably begin next year.

Mayor Ray Gibbon said: "I'm happy it's finally over. The idea now is to get it started and productive. Now all we have to argue about is sharing the costs of services."

Councillor R. A. Russell, who along with Councillor R. Wheatley, had objected to the majority of councillors' support of BACM's proposal that the university be located in the northwest area of St. Albert, stated that he was "delighted" with the decision.

"I believe it's the right location," he said.

Councillor Russell had earlier stated that he felt council had not given proper consideration to alternative sites before reaching a decision to support the northwest location.

Council briefs

In compliance with a request from the St. Albert and District Chamber of Commerce, Mayor Ray Gibbon has proclaimed the week of May 18 to 23, "Clean Up Week" in St. Albert.

Mr. and Mrs. H. DeHek of 49 Sunset Blvd. attended council Monday to appeal the decision of the Development Officer, J. D. Roberts, which refused to allow Mrs. DeHek to operate a hairdressing shop in the basement of her home. Council voted 7 - 0 in favor of upholding the development officer's decision.

The DeHeks' appeal was

denied on the grounds that an undesirable precedent would be set, and that such home-based businesses were not conducive to the development of the downtown business area and provided unfair competition.

Council voted unanimously Monday in favor of having Fire Chief F. Tetarenko attend the annual convention of the Alberta Provincial Fire Chiefs and Alberta Fire Protection Associations in Red Deer, June 15 - 18.

Council voted unanimously to authorize J. W. K. Shortreed, town solicitor in the

matter of annexation proceedings, to appear before a Local Authorities Board hearing May 19 to protest annexation by the City of Edmonton of some 4,500 acres of land owned by BACM on the north side of the city.

If the annexation is approved, Edmonton city borders will be extended to within 1 1/2 miles of both the town of St. Albert and the new university. Concern was expressed that such annexation could have a profound impact on the town and councillors agreed that if Mr. Shortreed felt he could effectively protest the annexation on behalf of the town, he should be asked to do so. Town Planner J. X. Woodroffe indicated that he would also attend the meeting, representing the town.

Quick work saves business from fire

Jack Cohen, president of Jasper Auto Parts, 101 St. Albert Road, credits quick work on the part of a passer-by, the people at Grandin Esso and the St. Albert volunteer fire department with saving his business from destruction by fire.

An alert motorist spotted signs of the fire shortly before 2 a.m. Saturday morning and advised the staff at Grandin Esso who turned in the fire alarm. The fire department was on the scene in short order and damage was kept to a minimum.

"Only the gate to the lot was damaged," said Mr. Cohen. He expressed appreciation for the combined efforts of all involved in averting a much more serious fire.

Joint use agreement

With summer just around the corner, winter activities are coming to an end. Secretaries of organizations which have enjoyed the use of either town or school-owned premises under the Joint Use Agreement are asked to notify the department of recreation of the date of their final meeting.

bantam ball

St. Albert Twins played host to Grovenor Community League in an exhibition game last Friday and came up with a 15-2 victory.

Coach Ed Howorko's club had little trouble with Grovenor's pitchers and managed 15 hits with the Bruen boys, Garry and Darrell hitting home runs. Twin pitchers Gary Bondarevich and Garry Bruens allowed Grovenor only four hits with two runs coming in the last inning.

Grovenor is coached by Herb Sewers who attended spring training with Cincinnati Reds in 1957 and Twins coach Ed Howorko attended Chicago White Sox camp in Florida in 1955.

Commitment

on school

sites sought

Council has agreed to table a number of matters affecting the BACM Mission Park development until they have received assurance that problems regarding school sites have been resolved by the company to the satisfaction of the town's two school boards.

This action was prompted by a visit to council of a delegation from the St. Albert Public School District No. 3.

Superintendent Vince Maloney, School Board Chairman Dave Fraser and Trustee Jack Flaherty were present at Monday night's meeting to protest BACM's refusal to make a commitment on school sites and prices.

Mr. Maloney explained that the board had originally planned on 26 additional classrooms, based on the BACM proposed development of 240 acres. Since the town had decided on a "more controlled development" of the 120 acres of BACM land which lie within present town boundaries, he said, the number of additional classrooms required would be 13.

The site which had originally been set aside for a public school is outside the present town boundaries and the delegation requested that BACM be forced to come up with an alternate site within the town.

On the suggestion of Councillor John de Bruijn, council voted unanimously to table all BACM business until the problem had been solved.

the Gazette REFLECTS

Stating at the outset that he was pessimistic about Canada's chances of surviving as a free country, Mr. Mel Hurtig, speaking to a Liberal meeting in St. Albert, drew a starkly realistic picture of the extent to which our country is at present under the ownership and control of our powerful neighbor. It was not a pretty picture.

The week turned up some other pictures which were far from pretty. Television film of students shot down by the United States national guard on their university campus. Pictures of young American soldiers being interviewed in Cambodia, and saying "we are not sure we should be here." Still fresh in our minds also are the shootings of union member. Jablonski and his family and the Chicago 7 trial.

The pretty picture we are constantly being bombarded with, directly and indirectly, is the high standard of living in United States. Alongside the other pictures this one doesn't look so attractive anymore.

The time is now upon us when Canadians must do some very hard thinking indeed on what directions they wish to take. Otherwise other people will do their thinking and make their decisions for them.

The time is NOW for three reasons:

(1) Negotiations are now going on for an international energy grid. If Canada's vast energy resources come under the control of the United States, the sell-out of Canada will be practically complete. Use of energy resources will be determined not only by American and Canadian economic needs, but also by America National Security policy. We had better be very careful.

(2) The time is NOW because for the first time Canadians are in the driver's seat - United States desperately needs our water power, oil and gas, mineral resources. In the name of sweet reason let us not move fast because the Americans want to move fast.

(3) The time is now because we must give our young people something worthwhile to do with their unlimited energy, their better educated minds and their inherent care and concern for building a better world. Can the older generation stop running scared and make a fight to keep control of this country? It is even more important that Canadians immediately let the Hon. Joe Greene, minister of energies and resources, know that they don't want our resources sold down the river for a fast buck, than that they protest the white paper on taxation.

Let us make this fight to gain control of our future. Then we could offer our young people a chance to spread into our central corridor and our north and pioneer the way our grandparents did, along the southern strip of the country. For themselves as Canadians. With some risk - not as lackeys of a giant multi-national firm. A chance to form their own Canadian management - and their own Canadian unions - and their own Canadian industries. We could give them Canada.

St. Albert Willowbrook Saints baseball team will hold a 'Spring Festival' in the Community Hall on Friday, May 22 at 8 p.m.

Tickets can be obtained by phoning Larry Mitchell at 599-4941 or from any other member of the ball team.

There will be dancing, snacks and refreshments. Everyone welcome.

It has been brought to the attention of the Gazette that a minor bicycle accident occurred Monday in the Sturgeon area. A kindergarten pupil who was waiting at the bus stop, was knocked down and injured by an older child on a bicycle. While the incident was not extremely serious, the child's injuries did require medical attention.

In view of this incident, it is to be hoped that parents periodically remind their children who are riding bicycles to and from school to exercise extreme caution at all times. They should be advised to be particularly careful around groups of smaller children so that such unfortunate accidents can be avoided in the future.

Mrs. Shirley Brook, 11A Sunset Blvd., St. Albert, wishes to announce the marriage of her son, Gordon Keith, to Dorothy Merrill Stewart of Winnipeg, Man. The wedding took place in Winnipeg, May 8, 1970. The couple will make their home in Edmonton.

Mrs. Donna Raymond of St. Albert has joined the staff of Grandin Park Beauty Salon and Barbershop. A former resident of St. Albert, Mrs. Raymond has recently returned to her home town after working at various salons in the Edmonton area.

Mrs. Raymond has most recently been manageress of Kensington Beauty Salon in Edmonton.

The Sturgeon Hospital Auxiliary wishes to extend a special thank you to all Candy Strippers who participated in the cancer drive. The girls did a splendid job. Funds collected amounted to approximately \$1,600 which is \$100 over last year's figure.

The auxiliary also extends a warm thank you to all the captains, especially those who helped and were not even auxiliary members.

We welcome the following to St. Albert:

Mr. and Mrs. E. Ehrman and family; Mr. and Mrs. T. Quinn and family; Mr. and Mrs. S. Charlet and family; Mr. and Mrs. D. Gernsheid and family; Mr. and Mrs. F. Hockaday of the Grandin Park district.

Mr. and Mrs. D. Barclay; Mr. and Mrs. L. Clark and family; Mr. and Mrs. M. Vein and family of the Brae-side district.

Mr. and Mrs. D. Smith; and Mr. and Mrs. J. Thain and family of Mission Park.

Sturgeon school festival arts

Some 900 students from six schools in Sturgeon School Division participated in a Fine Arts Festival which was held recently at Namo School. The one-day festival was of a non-competitive nature.

There were 115 individual entries from the fields of music, language arts, physical education and drama which included representation from Bon Accord, Camilla, Gibbons, Mission Park, Horse Hill and Namo School.

Adjudicating festival entries were Father Leo Green (voice-solo and choral), R. Heuserman (instrumental and orchestral), J. McCreath, (drama), K. Graham (drama) Harold Paul (public speaking and debate), Helen Kerr (story-telling and choral speech), A. Kunst (art exhibits), Ian Mennie (physical education) and F. Robinson

(recitations).

In addition to the student entries the festival featured a display of student art work from grades one to nine. The exhibit featured art work using many media and included a stimulating variety of drawings, paintings, prints, paper construction, ceramics, mobiles, "tie and dye" work, sculpturing, etc. The display of art work will be put on circuit and exhibited in all schools throughout the division.

A concert program which featured selected items from the festival was held on Wednesday evening May 6 at Namo School. The festival and concert were sponsored by the Sturgeon Valley sub-local A.T.A. through the co-operation and assistance of the board of Sturgeon School Division No. 24.

Make Morinville beautiful week

The week of May 16-23 inclusive has been declared "Make Morinville Beautiful and Clean Up Week" by the Morinville Board of Trade, with the full co-operation of the Morinville town council.

All residents are requested to make an honest effort to clean-up paint-up and beautify their homes and property.

Business firms are invited to co-operate 100 per cent in the 1970 clean-up campaign.

All excess garbage on private property, properly piled, gathered or stacked, near

lane or road, will be picked up by town truck, as well as tree or shrub trimmings, old car bodies, etc. during clean up week.

For further information on this matter, call the town office 256-3515.

Be prepared -- make 1970 Morinville clean-up campaign a successful one with your co-operation -- Now!

Around Town

The christening of little Julie Vivienne Gariepy on Mother's Day, May 10, had something extra in the way of historical importance, because it was the first such ceremony conducted in the new chapel at the Youville Home in St. Albert. Nineteen and half months old Julie is the adopted Melis daughter of Mr. and Mrs. R. V. Gariepy of 35 Geneva Cres., and the youngest of their family of eight. Father Jean Gariepy OMI of Edmonton, a brother of Mr. Gariepy, performed the ceremony, and special guests were the baby's great-grandmother, Mrs. A. Pilon, a resident of the Home and her grandfather, Judge C.E. Gariepy of Edmonton.

Godparents were Mr. and Mrs. M. LeClair of Edmonton, aunt and uncle to Julie, and Mrs. C. Maxwell of Rochester, New York.

A reception was held at the Gariepy's home when wine and petit-fours were served to 24 guests, including Mayor and Mrs. Ray Gibbon and Mr. Pierre Gariepy of Edmonton, eldest brother of Mr. Gariepy.

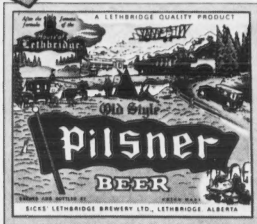

What's going on in that house on the hill?

A LETHBRIDGE QUALITY PRODUCT

Old Style Pilsner BEER

BREWED BY THE HOUSE OF LETHBRIDGE

Our Pilsner label raises many exciting questions, and while we can't answer all of them, we can tell you about that house on the hill. It's the House of Lethbridge where we still brew Pilsner Beer slowly and naturally. Is the good old-fashioned way still the best way? No question about it!

AFTER THE FAMOUS FORMULA OF THE HOUSE OF LETHBRIDGE

SWIMMING

The pool will open on Saturday, May 16 and the schedule from that date till the end of May is published in a separate advertisement in this issue. The June schedule which will be published later will include sessions for family and adult swimming.

Swimming lessons will begin on Jun 1 and registration for all levels of Red Cross instruction will be held in the Clubhouse on Saturday, May 23 from 11 a.m. - 3 p.m. and on Wednesday, May 27 from 3 - 7 p.m.

Application forms for season tickets are available at the town hall. Residents are again reminded that May 15 is that last day for receipt of applications for family season tickets being paid for by special arrangement through the water and sewer billing.

For further information phone the department of

Little Canadian ball

May 6 games in the Lions division had White Sox defeating Expos 12-11 and Senators downing Angels by the identical score. Pirates lost to Braves 11-9 for their first loss.

May 11 games in the Lions division saw Angels down Expos 24-17, White Sox 16-11 over the Pirates and Senators came up with a 10-6 victory over the Braves.

In the Knights of Columbus Little Canadian division the Reds defeated the Astros 27-7.

Saints play

Legal tonight

St. Albert Willowbrook Saints baseball team plays host to Legal tonight at Mission Park diamond. Game time is 6:30 p.m. Coach Bob Mulloy hopes to get the team into the right frame of mind for this weekend when they travel to Mayerthorpe for a tournament.

Mayerthorpe were the first winners of the Lion's Club tournament played in St. Albert last year when they defeated St. Albert in the final game 8-7.

Sociologist: "Do you realize that half the world is ignorant of how the other half lives?"

Village Postmaster: "Not in this town, they ain't."

New! What's New in Laxatives?

Not much really that hasn't been available for a long time. The ideal laxative is one that gently "nudges" the intestinal system to activity. Tiny Fruitatives tablets with a combination of extracts of apples, oranges, prunes, figs and medicines is just that. Fruitatives look for the bowl of fruit on the package. At all drug counters.

parks and recreation at -- 599-6601.

TENNIS

Because of the weather, the novelty doubles tournament arranged by the St. Albert Tennis Club for May 10 was postponed. It will now be held on Wednesday, May 20 at 6:30 p.m. All levels of players will be welcome - a tournament like this is a wonderful way of getting to know your fellow club-members.

The "ladder" is now in operation and anyone wishing to have his or her name entered should phone Mrs. Judy Wood at 599-8696.

BOYS' SOCCER

The results of the St. Albert Atom league games played last week were as follows: Division A: Tigers 3, Lions 1; Hawks 9, Falcons 1; Division B: Spurs 2, Bombers 1; Rangers 1, Mustangs 1.

PEDAL PUSHERS

Early training in traffic safety is of immense value in the saving of young lives and the Pedal Pusher Clubs sponsored by the Alberta Safety Council are a most effective means of ensuring that our youngsters form the right attitudes at an early age.

These clubs are usually run by parents' groups or service organizations and the department of parks and recreation will assist and co-operate with any group wishing to organize a club.

FAMILY CAMPING

The St. Albert 69ers Family Camping Club will be holding a meeting in the Clubhouse on Sunday, May 24 at 8 p.m.

The membership of the club increased considerably at the recent camping show and all new - and old - members will be very welcome at this meeting. Coffee will be served. Anyone interested in joining is invited to phone 599-8290 for information.

The St. Albert Kinsmen Minor Hockey Association will hold their annual father and son hockey banquet on Sunday, May 24 at 4 p.m.

Due to the increasing popularity and attendance it is necessary to move the banquet to larger facilities located at the Holland House 12940 - 127 St. in Edmonton. Next year we anticipate holding the banquet in the new St. Albert arena.

Guest speakers are Roger

Woodcock heads Liberals

Rod Woodcock, a 24-year old political science student at the University of Alberta was chosen Thursday to head the St. Albert constituency Liberal Association. The local association's youngest president to date, Mr. Woodcock became active in politics in 1968 at the time of the federal Liberal leadership campaign. In the same year, he was elected secretary-treasurer of the local association.

Mr. Woodcock told a crowd of approximately 40 attending the association's general meeting and nominating convention at the Club Mocombo that his intention is to "foment a little radical liberal-

ism in the province." "If you think you've elected a wishy washy president, you're in for a shock," he said. "There's a political vacuum both in St. Albert and Alberta that needs to be filled by Liberals."

The following were elected to the executive of the association for the year 1970-71: vice president, Ted Hole; past president, Ken Crooks; directors, Gerry Torpy, Paul Chalfoux, Albert Lesberg, Wilf Borgstede Dick Wheatley and Bill Penrose. A secretary-treasurer will be appointed.

Bill Penrose was chairman of the meeting.

Wedding Bells

**Your
Wedding
will be
Unique**

WITH FLOWERS
FROM

**Grandin
Flowers**

Your wedding will be guided by your personal desires. The floral arrangements and choice of flowers is an expression of your personal tastes and preferences. As the truly fine arrangements prepared by Grandin Flowers take considerable time, patience, and creative skill, and the prices of the chosen flowers may vary greatly, the suggestions made here serve merely as examples from which to base your requirements.

Flower Arrangements

For the wedding which will feature a full guest list, reception and formal ceremony, may we suggest:

- * The Brides bouquet of Roses and Stephanotis.
- * Two Bridesmaids bouquets of Elegance Carnations.
- * One Matron of Honor bouquet of Baby Carnations and Sweetheart Roses.
- * Six Boutonnieres.
- * Two Corsages of Roses for the Mothers.
- * Two Standing candelabra with flowers for the church.
- * Ten Pew Markers.
- * Table flowers for the reception.
- * Wedding cake decoration.

ANNIVERSARY
SPECIAL
APPROXIMATELY \$100

For a touch of elegance, to say that this is a very special occasion, may we suggest:

- * The Brides hand bouquet of Cymbidium Orchids and Stephanotis --
- * Two Bridesmaids bouquets of Shasta Mums --
- * One Flowergirl basket. --
- * Six Boutonnieres. --
- * Two corsages for the Mothers. --
- * Ten Pew Markers. --
- * Table flowers for reception. --
- * Wedding cake decoration. --

ANNIVERSARY SPECIAL APPROXIMATELY \$70.00

The basic floral requirements for your wedding can be arranged at a very reasonable price. For Example:

- * The Brides bouquets of Roses & Shastas
- * Two bridesmaids bouquets of Shasta Mums
- * Two Rose corsages for the Mothers.
- * Six boutonnieres.
- * One Floral arrangement for the church.

ANNIVERSARY SPECIAL . . . \$34.95

Celebration Days at Safeway

Get in the Savings Spree !
Help us celebrate
Grandin's 8th Birthday
and Safeway's
41st Anniversary

Way back in 1929, the name Safeway first appeared over a food store. This week, to celebrate the event, we've scheduled our 41st Anniversary Sale. We hope the big bargains you'll find here and in our stores will invite you to join in the fun and celebration. Safeway is grateful to the millions of customers we have been privileged to serve through the years, and to the thousands of Safeway people who have helped to make SAFEWAY mean friendly service and fine foods at money-saving prices.

Open Daily
until
9 p.m.

We reserve the right to limit quantities

SAFEGWAY

CANADA SAFEGWAY LIMITED

Newly elected officers of the St. Albert Kinettes Club are (from left) Linda Stewart, treasurer; Jeannine Hendrigan, secretary; Beryl Shoults, registrar and bulletin editor; Bette Daley, vice-president; Alda Myrthue, past president; Marie MacRae, president. The Kinettes are sporting their smart new three piece outfits in the club's colors of purple and gold.

Kinettes report busy year

The St. Albert Kinettes have been very active during the past 10 months with many service and money-making projects.

February 1970 was golden anniversary month and Kinsmen and Kinettes across Canada celebrated in many ways. The local Kinettes assisted their Kinsmen hus-

bands with Skate-A-Thon during these anniversary celebrations. Proceeds from this function will benefit our new arena.

The Kinettes are known locally for convening the Christmas Hamper Bureau and this year have furnished a ward in the Sturgeon General Hospital. They have

been active in many other areas of service.

Socially the Kinettes have represented St. Albert throughout the entire province at conventions and inter-club actions with other Kinettes clubs.

The Kinsmen Rodeo 109, June 19, 20 and 21 is the final project of the season.

LUCKY MOTHERS

from left, Mrs. L. Welch, Mrs. K. Stanton, Mrs. B. Poudrier, Mrs. R. Wear, Mrs. A. Lenko

Mother's day contest winners

Mrs. R. Wear of 8 Sycamore Avenue, St. Albert was among five mothers of Edmonton and district children who received a pleasant surprise last week when they learned that they were winners of a mother's day dinner on the town. It was all part of a contest sponsored by Westmount Mall in which children under the age of 18 were invited to submit entries for a draw entitling their parents to a dinner party Saturday evening at the Sahara restaurant, complete with taxi service, baby-

sitting allowance, prizes and corsages.

Other winners were Mrs. L. Welch, Mrs. K. Stanton, Mrs. A. Lenko and Mrs. B. Poudrier, all of Edmonton. Lucky entries were submitted by Perry Wear, Brent Welch, Trudy Stanton, John Lenko, and Lorelle Poudrier.

Another 25 mothers, winners of second prizes, were guests at a patio tea party hosted by Tony Biamonte of CFRN, on the mall at Westmount, Friday afternoon.

St. Albert winners were Mrs. R. Gouchey, 47 Glad-

stone Cres., and Mrs. E. Wiersema, 9 Salisbury Ave.

Of the 30 mothers involved, only one was unable to attend the parties, due to illness, said Michael Morris, manager of Westmount Shoppers' Park. He described this as "something of a record" in the four-year old mother's day contest.

Mrs. Wear said that the invitation to dinner came as a complete surprise. Unfortunately, Mr. Wear was out of town on business, Saturday, and was unable to join in the festivities.

HARD WORK - BUT HE LOVES IT!

Bernie Pawlyk removes furniture from his country chalet

Local man wins country chalet

Bernard Pawlyk of 10 Belmont Drive was the lucky winner of the "Country chalet" lake cottage at the Edmonton Home Show. The 645 square-foot cottage is fully furnished and is valued at \$20,000.

"We were driving home Sunday night when we heard

the announcement on the radio," said Mrs. Pawlyk.

The Pawlyks are not sure yet if they will keep the cottage or sell it. In the meantime they are removing the furniture from it so the cottage can be stored while they make a decision.

Thursday P.M. Astronuts: ladies single 268, Linda Stewart; triple 635, Linda Stewart.

"But honey," protested the worried husband, "where am I going to get the money to pay for all these clothes?"

"Whatever my faults may be, dear," said his wife, "you know I'm not inquisitive!"

ST. ALBERT & STURGEON GAZETTE

Newcomers hear family counsellor

"Communication," especially between adults and teen-agers, was the subject of a talk by Miss Susan Webb, counsellor with the Family Services Association of Ed-

monton, Wednesday, May 6. Miss Webb was addressing a group of about 80 women attending the May meeting of the Welcome Wagon Newcomers' Club at La Cava dining room.

How well we communicate depends largely on how we feel about ourselves and the person with whom we're communicating, she said. People are inclined to "play games" when they're not

sure they can expect very much from other people. There is a tendency to test people out.

On the subject of communication between adults and teens, Miss Webb cautioned against just communicating about things the adult considers important. There is no communication if the adult's attitude shows resentment for what he considers a lack of responsibility in a teen-ager.

Adults are often inclined to look at children as "little adults" and there is a tendency to think: "quit messing around and grow up," she said.

"We often think a good mother's children never raise a fuss, but we should be more worried about the kid who is always good as gold. Children must learn that hurting, anger and fear have to be lived with all their life."

Failure to communicate effectively can result, not from lack of love, but lack of respect for the other person. An ability to really listen and to read feelings being expressed behind the words, are most important, she said.

Miss Webb briefly outlined the work of the Family Service Association which she described as "primarily a counselling agency for families and individuals who are hurting."

"It's not a kooky business, just a people business," she stated. The association does work in the areas of mother replacement, family life education, pre-marriage counselling, lecturing medical students and nurses, and maintaining the "uncles-at-large" program to aid boys in fatherless families. An important part of its function is as a research agency finding out the needs of families. The association also takes part in an open-line radio program which offers counselling to people who call in seeking advice.

Robert Russell to contest election

Robert Russell was named Liberal candidate to contest the next provincial election in the St. Albert constituency Thursday, at the St. Albert Liberal Association's nominating meeting at the Club Mocombo. About 40 people attended the meeting.

"It's the first time I ever ran for election and won by acclamation," quipped Mr. Russell who contested the last provincial election in this constituency when he was defeated by Social Credit MLA Keith Everitt. He is presently a member of St. Albert Town Council.

Mr. Russell told his audience that he believes Liberals can supply an alternative to Social Credit.

"We are people who really have the guts to get at the issues." He listed major areas of concern on which he feels the local association should take a stand.

On the problem of pollution, he stated that Edmonton and the provincial government must become concerned that six municipalities discharge sewage into the Sturgeon River Basin. He also advocated "stop work" orders for industries guilty of polluting the environment.

With regard to natural resources, Mr. Russell called for an inventory of oil, gas and water, then a study to be undertaken as to future use. He advocated "more initiative" in the field of

agriculture and a "more objective look" at the White Paper on Tax Reform, stating that it was impossible to be against all parts of it.

He levelled criticism at "high-priced executive assistants" employed by the provincial government, who also function as party workers.

"Where the Liberals stand in the popularity polls is not the important issue," Mr. Russell concluded "but Liberals must have an opportunity to voice disapproval."

Bank of Montreal has new manager

Maurice Gerwing has been appointed manager of the local branch of the Bank of Montreal, replacing Andre Tardif who has been transferred to the Laurier-O'Connor branch of the bank in Ottawa.

Mr. Gerwing began his career in banking in 1947 when he joined the staff of the Bank of Montreal branch in Lake Lenore, Saskatchewan. Subsequent postings with the bank took him to Manitoba, where he was on the inspection staff in Winnipeg for four years and to Vancouver and Kitimat in British Columbia, where he was also a member of the inspection staff. He also spent some time in the security department of the bank in New York.

Mr. Gerwing has come to St. Albert from the main

MAURICE GERWING

branch of the bank in Edmonton where he served as credit officer. Prior to that, his position was that of Manager, Edmonton's Windsor Park branch.

Mr. and Mrs. Gerwing will occupy the manager's quarters above the bank on

Sixty boys from St. Albert squadron, Royal Canadian Air Cadets took advantage of an unusual opportunity, Thursday, to ride in a Numa-based helicopter. Not part of regular cadet training, the cadets had to have

special drill in boarding -- a procedure which can be extremely dangerous for the uninitiated. The helicopter made four trips, taking off and landing from a spot behind St. Albert High School.

Fishing Derby

The St. Albert and District Fish and Game Association will be holding a three day fishing derby at

Long Lake Provincial Park on May 16, 17, and 18. Everyone is welcome to attend and take part in the

derby as well as family camping activities, including games for the kids, and a horseshoe tournament.

Entry fee for the derby is \$2 per family for the entire three days. Prizes will be awarded each day for the largest pike, pickerel, and perch.

Long Lake Provincial Park is located 85 miles north-east of Edmonton off highway 46, and is one of Alberta's nicest provincial parks. Ample space is provided with facilities for trailers, campers, or tents, there are lots of tables, and boats are available.

Support the St. Albert Fish and Game Association and enjoy yourselves at the same time by taking part in this fish derby and family camping event.

Bantam league expanding

Due to a large overflow of bantam age players, the four team bantam league will add two teams with the Stampede's entry being coached by Larry Mitchell. The Roughrider's coach will be named shortly.

May 7th games in the bantam division saw Orioles defeating the Cardinals 13-3 and the Twins tripling the score on the Cubs 15-5 for their third straight win.

Hercules Soccer

MIDGET

St. Albert Hercules midget soccer team has gone down to two straight defeats in the early stages of the 1970 season.

In the first game Avonmore came up with a 2-1 win with Jimmy Winters scoring the lone goal. In their second game played at Salisbury Pitch, Delwood scored a 3-2 victory, Jimmy Winters and Doug Ferguson scored for St. Albert.

St. Albert plays tonight at Salisbury - 7 p.m.

PEEWEE

St. Albert Hercules peewee team, coached by John Allston and Lloyd Hopkins, started their schedule on the wrong foot and went down to defeat to Athlone by a 4-0 score. St. Albert had earlier played Athlone in an exhibition game and came away with a 2-1 win on goals by Bruce Rae and Robbin Prasloski.

The peewee team plays tonight against Calder at the Salisbury pitch - 7 p.m.

ATOMS

St. Albert Atoms coached by Tony Holden and Campbell Smith played their first league game and shut out Athlone 3-0. Athlone started strong but a solid defense led by Chris Skrobo and Robert Gau held them scoreless. Danny Kehoe scored St. Albert's first goal after Martin Holden had forced Athlone's goalie to make a good save. St. Albert got a gift goal for their second score as the Athlone goalie allowed the ball to trickie into the net. Doug Nixon scored the final goal. Doug Bendera played a strong game in goal to earn the shut-out.

The Atoms second league game ended in a 1-1 tie with Martin Holden scoring against Rosslyn.

Ladies fastball

St. Albert Silhouettes ladies fastball team played an exhibition game last Thursday against Baldwin Red Sox of Edmonton, and came away with a 11-10 victory. The Silhouettes are hoping to get into the second division of the Edmonton Ladies Fastball League.

Support "Litter Critters" in Garbathon

WI members attend conference

Concerned and interested citizens of St. Albert will shortly be afforded an opportunity to beautify their town.

Promoted by Inter-School Christian Fellowship (ISCF) groups of Paul Kane, Simpson and Mackenzie students will hold an all day Garbathon.

Beginning at 7:45 a.m., May 23, young people known as the "Litter Critters" intend to "Clean Up" St. Albert. They will be working in a specified area in groups of 10 to 15 under an adult "strawboss."

Townfolk are urged to sponsor, for so much an hour, these young people when they call. The success of their effort depends on you.

Co-operation and support of the town parks department is assured with the provision of trucks, drivers, and 1,000 plastic garbage bags.

Garbathons are also being held on the same day by ISCF and Inter Varsity Christian Fellowship groups in Edmonton and Calgary.

All proceeds of the "Garbathon" go to Pioneer Lodge at Sundrie which is operated by IVCF as a year round camping centre for Alberta youth. IVCF of Canada is an inter-denominational and non-profit organization.

So "Think litter-ally." Please support a "Litter-

Critter." Your help is needed.

Those taking part have been invited to join the Edmonton group of ISCF on Saturday evening for a wind-up party which will include swimming, a weiner roast and hootenanny at Queen Elizabeth Park.

Resident airs complaints against Alcan

A resident of St. Albert's Braeside district has accused Alcan Design Homes Limited of being a poor "corporate citizen."

K. H. Elliott of 45 Burn-

ham Place attended Monday night's council meeting to speak in support of a letter he had written earlier to council in which he registered a complaint against the development company.

Mr. Elliott claimed that construction equipment owned by Alcan had been using Broadview Crescent as an access road, leaving it covered with a thick layer of clay and mud. This turns the road into a "skating rink" whenever it rains, he said. Mr. Elliott stated that he was pleading with council to do something about the situation before a child was struck by one of these vehicles.

Mr. Elliott withdrew an earlier complaint regarding garbage left behind by builders on Burnham Avenue, as the situation has now been rectified.

He described as "deplorable," Alcan's method of building a retaining wall on his property without his permission and without his knowledge. He stated that he was out of town at the time the wall was erected and at the time of purchasing the property, he was not advised that a retaining wall would be required. The 4 1/2 foot

drop off the side of the retaining wall constituted a safety hazard, he said, and he would be required to erect a fence at his own expense for the protection of his children.

Council voted in favor of recommending to public works committee that they consider amending the building code to cover such a situation. It was suggested that erection of a fence might be made mandatory in cases where a retaining wall caused a safety hazard to an adjacent property owner.

Mr. Elliott's letter will be referred to the public works committee meeting of May 19. Mr. Elliott was invited to attend the meeting.

"I wouldn't vote for you," shouted the voter, "If you were an angel."

"If I were an angel," replied the candidate, "you wouldn't even be in my riding."

Published at St. Albert, Alta.

The annual constituency conference of the Edmonton-Victoria-Sturgeon district of the Women's Institute was held on Saturday, May 9, at Fort Saskatchewan. Nine ladies from St. Albert attended.

The day was enjoyable and informative. Dinner was served at the Fort Saskatchewan, Golf and Country Club, and program of entertainment by local young people was enjoyed.

The usual display of competitive handicraft was the highlight of the day, especially for St. Albert who won the handicraft cup for the fourth year in a row. The prize of an Alberta Women's Institute cup and saucer for the outstanding handicraft article was won by Mrs. Gordon Dalman of St. Albert for an appliqued quilt. The prize was donated by Mrs. McLaughlin, the provincial handicraft convener.

Town of St. Albert

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close that portion of Remos Street bounded by Sir Winston Churchill Avenue, Lot 28, Block 1, Plan 2961 MC and Lot A, Block 1, Plan 3827 MC.

Section 175 of the Municipal Government Act, Chapter 68, 1968, as amended provides that Council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw #14/70 has been prepared and will be presented to Council on June 22, 1970 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on May 20, 1970.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent, in accordance with the said Act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said Act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until June 19, 1970.

D. B. O'Connell,
Secretary-Treasurer.

Janice Kremer tops public speaking

Janice Kremer of Father Jan School was pronounced winner of the public speaking contest for St. Albert schools, grades 5 and 6, Monday. The competition was held at Leo Nickerson school. Janice received the cup for her talk entitled "My one thousand kissing cousins."

Competing were Melissa Argy, Leo Nickerson; Mark Stedelbauer, Sir George Simpson Junior High; Debra Syms, Sir Alexander Mac-

kenzie and Jeananne Kathol Vital Grandin. They were all winners of earlier competitions held in their own schools.

Adjudicators were Elmer Gish, superintendent of schools for the Protestant Separate School District No. 6, Vince Maloney, superintendent of schools for Public School District No. 3 and Rene Laird, recreation coordinator for the Town of St. Albert.

Slice of life.

Bread is a basic staple in the good life Albertans lead. And living in a province that grows the world's best wheat, we tend to take it for granted. Of course, for the farmer it's a little more complicated. It means an investment in labor, machinery, good soil management. Then markets must be found, transportation undertaken... even before milling and baking play their part. All in all, a skilled and complex business — comparable in many ways to the supply and distribution of electric energy. Here too specialized skills and complex processes are required to ensure that all the electricity you want is ready for instant flick-of-the-switch availability. While the overall cost of living has increased dramatically the price of electricity is still one of today's best bargains. Did you realize that the power used on a farm is, on average, less than one per cent of the total operating costs? That's something to think about when you consider inflation — or watch the toast pop up!

ST. ALBERT SINGERS

...performing before a large crowd at "St. Albert Sings" last Friday

"St. Albert sang"

"Which is the properest day to sing?" was the selection chosen by the St. Albert Singers to lead off "St. Alb-

ert Sings" Friday in Father Jan School auditorium. In case you're not familiar with this lively song, written in

the 18th century, the answer is Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday -- and it would appear that everyone taking part had been doing just that in preparation for the concert.

Joining the St. Albert Singers, sponsors of the program were the men's chorus of the Singers as well as the St. Albert Sing Out group and the Father Jan Glee Club. The 21 numbers presented by the four groups provided plenty of contrast and were enthusiastically received by a near-capacity crowd of approximately 300 adults and children.

Under the direction of Mrs. Lillian Upright, the St. Albert Singers presentation ranged from the gentle "Lonely Woods," a 17th-century madrigal to the stirring "Creation's Hymn" by Beethoven. A favorite with the audience was Randall Thompson's "Alleluia, 1940." A final group of selections, "Younger Generation" and "I Bought Me a Cat," by Aaron Copland, featured soprano, Joyce Mostert and tenor, John Lindley. Accompanist was Holly Nickerson. As always, the professional training and singing talent of the members received warm appreciation from those present.

St. Albert Sing-Out, under the direction of Bill Chiles, "came on strong" in their first public appearance. Roaring down the aisles, some 40-strong, to the accompaniment of a group of their own musicians who knew how to belt out the "now" sound, the young people captivated their audience with their bounce and enthusiasm as well as their singing ability.

From their rousing opener, "Up with People" to the gentler "Shalom" with which they closed their part of the program, the recently formed group showed evidence of the many hours of work that had preceded their performance and the obvious enjoyment they were getting out of the whole thing.

Members of the band were: rhythm - Kevin Chiles, lead - Brian Soule, drums - Steen Jensen, base - Robbie Russell. Accompanist was Joyce Larkins.

Mrs. Bertha Kennedy's glee club from Father Jan School delighted the audience with a group of Irish tunes and received rousing applause for "Look to the Rainbow" and "How are Things in Glochamora?" from Finian's Rainbow.

The youthful voices of glee club members came across well in songs of the Medical Mission Sisters 1965, with "It's a Long Road to Freedom" scoring a special bit with the audience.

A group of rather whimsical numbers by the eight-man chorus of the St. Albert Singers brought spontaneous laughter and applause from the crowd. The tongue-twisting "Peter Piper: had the audience holding its breath but the men made it through the complicated lyrics without tripping up once. Final selection in their group of three numbers, "Come Landlord, fill the Flowing Bowl," was extremely well received.

An incident in the "show must go on" tradition was noted when a member of the St. Albert Singers and men's chorus, Jim Wiltshire, hobbled on stage on crutches. He had twisted his ankle Thursday on a visit to Father Jan School in preparation for the concert -- but wasn't about to let a little thing like that keep him from "St. Albert Sings."

During the program, a corsage was presented to Mrs. Kennedy by members of the glee club and a bouquet of flowers to Mrs. Upright from the St. Albert Singers.

"Time sure changes things," said the airline passenger to his companion. "When I was a boy I used to sit in a rowboat in that lake down there below us and fish. Every time a plane flew over I'd look up and wish I were in it. Now I look down and wish I were fishing!"

Company man: "Well, we've exhausted reason, logic, common sense and justice. What more can we do?" Union man: "I guess we'll have to go to law."

She: "When you married me, you didn't marry a cook, I'll have you understand." He: "I know that only too well, now."

107 ST. NORTH OF JASPER

A tough trip -- but they made it!

St. Albert Postmaster Al Mitchell and his wife, along with Mr. and Mrs. Len Rosenke of Edmonton, turned modern-day voyageurs over the weekend.

At 9 o'clock Saturday morning the four adventurers piled into Mr. Rosenke's 14 foot aluminum boat, equipped with a 5 1/2 h.p. motor, and headed downstream on the Sturgeon River — just to see how far they could get. Despite the fact that they encountered 12 log jams over which they had

to crawl and drag the boat, they managed to reach the campsite below Namao on Highway 28 by about 3 o'clock in the afternoon.

In some cases it was necessary to portage around the log jams, carrying the boat. Mr. Mitchell said that there was evidence that many of the log jams had been started by beavers and he reports that they saw one particularly fine specimen at work.

"As the river narrows, the log jams get worse,"

Mr. Mitchell said. "You really need a power saw to cut the logs and clear the channel and then it would be a wonderful trip."

The scenery was beautiful and the level of the river was "just perfect" for navigation, reports Mr. Mitchell. Under present conditions he feels that this is probably the only time of year that such a trip would be possible as the river level is just right now and the channel not too difficult to find.

"Ever since we've been here, I've wanted to do this but this is the first time I've found somebody with a boat who would come with me."

Despite the fact that the Mitchell's both experienced an unscheduled "dunking" in the frigid water when a log in one of the jams broke in half while they were dragging the boat over it, they're both game to have another go at the trip. Next time, they'll start from Namao and hope to reach the mouth of the Sturgeon near Fort Saskatchewan.

Asked how they got back upstream to St. Albert, Mr. Mitchell admitted that, after their 25 or 30 mile trip, they'd had enough pioneering for one day and made the return voyage by car.

Approximately 100 guides, brownies, rangers and mothers of the Sturgeon district, St. Albert division of the Girl Guides of Canada, enjoyed the district's first banquet Wednesday, May 6, at the Roman Catholic Parish hall. The banquet was prepared and served by the rangers. The Sturgeon district takes in that portion of the St.

Albert division north of the river.

Mistress of ceremonies for the evening was Miss Denise Maurice.

Miss Irene DeLuca presented some of her guides with awards gained in the past two months and Mrs. Mary O'Neill presented awards to her brownies.

Skipper Mrs. Linda Whitte received her warrant and charter for the ranger ship, "Nipigon" from Dr. Joan Harper, provincial training commissioner.

The banquet ended with a brownie play and sing-song.

Nickerson PTA

The regular meeting of Leo Nickerson PTA will be held in the Music Room of the school at 7:30 p.m., Wed. May 20.

The finalists selected from the oratorical contest held at the school will be presenting their speeches to parents and teachers.

Parents will hear about promotional policy and program plans on curriculum for next year.

The new executive is as follows: President A. Peterson; first vice-president, D. Parkin; second vice-president, Mrs. E. Jones; secretary-treasurer, Mrs. G. Fitch; program chairman, Mrs. J. McKenzie; public relations, Mrs. V. Parenteau; social convener, Mrs. P. Boe.

Lions Casino

The final tally's in on the St. Albert Lion's Clubs recent Casino Night at the Purple Dude and it's been termed an outstanding success.

The last of the big time spenders were out in force, according to Chairman Jim Kimball. In addition to the 42 Lions working on the project, well over 200 St. Albert and district citizens came out to throw their money around with gay abandon.

Activity was brisk around all the tables with the perennial favorite crown and anchor, drawing the largest and noisiest crowds.

With money hundred dollar bills selling at 10 cents, the gamblers could afford to be generous — and even the losers weren't too unhappy knowing that the money will be going toward one of the Lions' many worthwhile projects.
